Sedgwick County EMS Receives Donations

(Sedgwick County, Kansas) –Sedgwick County EMS has received donations which include a \$1,200 grant from Sam's Club and 107 teddy bears from the Church of Christ.

Sam's Club has awarded Sedgwick County EMS the Safe Neighbor's Grant. This grant money will be used by Sedgwick County EMS to purchase digital cameras to help in documentation of patient care.

This is the second year the Church of Christ has donated teddy bears to Sedgwick County EMS. These bears will be used to comfort children who are ill or injured and require EMS transportation to a medical facility.

"It is great that there are groups in the Community that care and are willing to donate items such as these," said Chairman Ben Sciortino. "This not only helps us provide quality patient care, but it also helps to comfort those who require our assistance."
